THE MINISTER OF STATE IN THE MINISTRY OF TOURISM AND CIVIL AVIATON (SHRI ASHOK GEHLOT): (a) and (b) The development of facilities for domestic tourism is a continuous process. Therefore, the Central Government in collaboration with the State Governments and the private sector would continue to develop infrastructure at identified centres of tourist importance. However, in view of constraints of resources, instead of spreading scarce resources thinly on development of a large number of tourist locations, the Department in consultation with the State Governments would concentrate on full development of selected centres which are popular or have a rich potential.
